100 dates, 100 events that completely changed the history of the 20th century.

Historian **Andrea Geuna** selects 100 key dates in order to understand the history of communism in the world. The dates cover the sweep of Communist history from the birth of the First International until the fall of the Berlin Wall and the dissolution of the Soviet Union.

An indispensable synthesis to sail across the events of contemporary history.

100 key dates from history that everyone should know.
