THE ROMAN EMPIRE IN 100 DATES

Fabio Guidetti

foreword by Arnaldo Marcone

100 dates to recount the fundamental stages of one of history's greatest and most powerful empires, which united under its rule peoples of every race and religion, and spread its civilization to the most remote places in the world.

Fabio Guidetti, ancient archaeologist and historian, tells in 100 memorable dates the history of the Roman Empire, from its spectacular rise to the inexorable decline and fall: from the victory of Augustus in the Civil War until the invasion of the Italian peninsula by the Lombards.

An indispensable synthesis to sail across the main protagonists, battles, political events, major reforms, architecture, and literary works of imperial Rome, whose influence and appeal around the world last to this day.

100 key dates from history that everyone should know.
